World Bowls Championships spectator tickets in Christchurch Nov 29 to Dec 11 are also open.

- Coaching – Coaching courses being held 29th April & 1st May – details on noticeboard. Plus re-accreditation workshop on 1st May.

CLUB UPDATES

- Out of respect to organisers & fellow players in either club or open tournaments - please don't arrive late or pull out late
- Please don't expect your fellow club members to pick up after you – if you make a mess in the dining room, please clean it up. Don't leave rubbish, chalk etc laying around the grounds.
- Memorabilia from Cornwall Park and Carlton Bowling clubs – We are going to show a lot of our memorabilia on our website, so will be scanning the items/photos etc that we have at the club rooms. We are looking for some club 'historians' to help alongside Alan Crowe in collating this. We will also be putting out a call for any past members of Carlton and Cornwall Park to let us scan any photos/items they have at home, so we can show these as well.
- Unfortunately Facebook deactivated our club page due to a set up error and they won't unlock it. So we have created a new one. *For those of you on Facebook, please go in and 'like' the new page.* It's the one with our logo as the cover photo (not the one with the beach scene) – so hopefully all the previous followers will join us

on the new page and if you spot yourself in a photo, please feel free to tag yourself. nb this new page is still being worked on

- Smoking areas in the club grounds - After much deliberation the following has been decided:- while play is on, the only smoking areas are at either end of the clubhouse and the end of the concrete path between A & B green. *Out of respect to all non-smoking players, please adhere to these areas.* After play smoking is permitted on the verandah as well (but only by the greens whiteboard)
- The club bar is now closed on Thursdays until next season. But do come along on Friday nights for a catch up with your fellow club members. Many thanks to Max Hamilton for being the Thursday bar person over the season.
- For members on email – if you do not receive the Bowls NZ circulars, please let Christine know so she can check their database that your email address is loaded/correct. Their circulars are also put on our noticeboard.
- Bowls NZ have thanked our club and all the volunteers who assisted over the NZ Masters, National Interclub and National Intercentre

GREENS UPDATE

Ross Wheatcroft – it was lovely to see you at the club recently. Speedy recovery Ross

Colin Austin – nice to see you on the green

Marina Green continues to make good progress and is feeling much better. She hopes to call into the Club within the next few weeks to thank all the members that have phoned and visited to say “Hi”.
