CLUB UPDATES

World Masters Games – 22-28 April

- We are having a working bee on Tuesday 18th April at 9.30am – we will be doing work on the surrounds and a spring clean of the kitchen & cleaning the trophies, please let Christine know if you can help out. Morning tea provided ☺
- We are also looking for daily volunteers to help set up the greens etc. We need 2-4 helpers each day at 6.30am on Saturday 22nd, Sunday 23rd, Monday 24th, Wednesday 26th, Thursday 27th. If you can help please let Christine know asap which day/s you are available. The draw is now out, so if you are playing here in the morning, please consider coming in early to help set up. And if you are playing here in the afternoon please also please consider staying on to help at the end of the day to tidy up.

- Car parking during the games will be for volunteers & officials only. All club members who are players or spectators please park in the rugby club carpark – no exceptions (except for those people needing handicap parking). To avoid any embarrassment please be respectful to the officials & volunteers who have been advised there is designated parking here for them. We also need parking wardens on Saturday & Sunday 7am-8am and noon-1pm, let Christine know if you can help.
- WMG volunteers are here each day and will cover all questions relating to the Games, if you are asked a question about our club feel free to chat otherwise direct them to the WMG help desk
- If you need Carlton Cornwall stickers for your bowls we have stocks of these in the office. Please refer to the Laws of the Sport of Bowls rule 52.1.8. et seq on the use of stickers.
- For the players – you will be collecting your accreditation etc from Queens Wharf in the city (WMG will be sending out information on this). If you have not travelled into the CBD for a while, it's a mess with all the road closures. So a good suggestion is that the train would be a good transport option if you live near a station.
- Catering - owing to unforeseen circumstances we have had to change caterers. Replacement caterers, menu and options are being explored
- And finally good luck to all our members playing – we look forward to seeing a sea of gold & black on the greens, especially on the podium

Mele Mahe is our latest finance student from AUT completing work experience here until 20 May. She will be working with Gerard on our annual accounts and obtaining analytical detail on our activity segments.

Please remember that the club carpark has designated parking spots for Board members and club secretary. All other club members and visitors must use non-designated parks.

Greens – March has seen over 300mm of rain

Long sleeved polos – with winter coming along we will ask again if any members want to order a long sleeved polo in the new design. We need a minimum of 10 to place an order. If you had put your name down previously and would still like to order a shirt, please let Christine know. Cost is \$83.

If you would like to order a beanie please let Christine know. Cost \$14
