CLUB UPDATES

Unfortunately as a result of complaints received, the Board at its last meeting on 8th February, was required to discuss in general terms, Club policy pertaining to offensive comments on the greens and or in the pavilion.

Whilst the Constitution details consequences for unacceptable behaviour, the Board wishes to clearly communicate to all members that any offensive discriminatory comments or actions towards Club members or any visitors to the Club, either directly or indirectly, will not be tolerated.

The Board acknowledges the competitiveness of the members, but we can still play hard and fair maintaining our culture and values as a well-respected champion club that we can all be proud of.
